(Note by Mr. Duncan) — The Halifax Philatelist was one of the finest of the early philatelic magazines published in Canada, containing many articles by D. A. King and Henry Heckler. Through the generosity of Mr. Jack Levine, a complete file of the above is now available in our Library.

(Note by present Librarian) — Stew Kenyon through the kind donation of Mr. E. A. Harris, had these three volumes bound in 1968, and will be sent out as one volume complete. Any members requesting this volume will realize that registered postage will be used for this most valuable book.
